INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

This being an inheritance, it appears to me that these children should not be cut out simply because the resided in the Creek Nation and not in the Cherokee Nation. I shall contend for their portion of this money.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state about when your mother was born. When did your grandparents on your mother's side move to Arkansas? Where had they been residing prior to that time? Were your mother and grandmother on your mother's side slaves? If so, were they slaves of Indians or white people? Please state carefully and distinctly you you are related to Pocohontas and Powatan, and how, by reason of that fact, you claim to be entitled to participate in this fund?

Can you furnish us with evidence tending to establish the fact that you are a descendant of persons who were recognized members of the Eastern Cherokee tribe of Indians at the date of the Treaty of 1835-36 and 1846? If so, please state what the evidence is, and send us the names and correct addresses of any witnesses who will testify to that effect.

The name of my Mother was Nancy Watts
Her maiden name was Nancy Cabin —
In 1851 father and Mother lived in the
Canadian District Cherokee Nation —
Nancy Watts my Mother was an Old Settler
or Western Cherokee Indian —
My Sister Malinda, was a woman
in 1864. the Mother of two Children —
I have no record of her age, and will
guess no more. She was on the Old

My name is Blackbird Doublehead. My age is about 55 years. I was born in Flint District. AnniecSixkiller is my daughter. She is about 27 years old. She got the strip payment. She was enrolled by the Dawes Commission, Cherokee Roll #19002. She is a full-blood Cherokee Indian. My Indian name is Squa-lees-tah. I have one brother, Peter Doublehead. He is older than I am. He is old enough to be enrolled in 1851 and drew Emigrant money in 1851. Da-gun-a-wak-see was a brother who died. There was another but I do not recall the name. My father's name was Adair when in the Army; or Doublehead Adair. He had a brother by the name of Watt. My mother's name was Charlotte. (329 Fl.) There was a large family, about twelve in all, but I do not recall their names. My grandfather's name was Adam Doublehead. They were not regarded as Old Settlers. I don't know whether Adam was enrolled. I think he died back in the Eastern States. (1835 Roll.) My mother's name before marriage was Charlotte Choo-noo-lah-hus-kee, or Chu-noo-lah-hus-kee. Lived in Flint District. He never lived in Delaware (my mother's father.) His children were Nelly, Wut-ty, Ail-sey, Sarah. They are all I can remember. (274 Fl.) I don't know my mother's mother's name. They never associated with any other tribe of Indians, than the Cherokees. I have always undersrood that my father was ernolled in 1851.

My mother was Lizzie Jackson, deceased and who died May, 5th, 1908 and her application number is 822. her Post Office was Bartlesville, Okla. at the time of her death. That was formerly my Address but it is now Tahlequah, Oklahoma. Yes, my mother made application for her share of the Eastern Cherokee Fund and her number is 822, as stated. My fathers name was Tah-quah or Duc-wah Downing. I think it means Turtle or Whale. He has been dead about 20 years and may not be quite that long. He was a little over 40 years old at the time of hid death. He must have been born about the year of 1848. That is all I know about him.

On this 25th day of July, A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public in and for the aforesaid County duly authorized to administer oaths, Michael A. Fender, aged 77 years, a resident of Polk County, Missouri, whose Post Office address is Brighton, Polk County, Missouri, well known to be reputable and entitled to credit, who being duly sworn declared in relation to aforesaid case as follows:

I was well acquainted with Alexander Brown in his life time. He was my Grandfather. He came from McMinn County, Tennessee, where he lived when I first knew him. He lived about four or five miles from my Father's residence in Tennessee. I can remember his being at my father's house a number of times. His family and my Father's family were intimately acquainted and when he left Tennessee and came to Missouri, there were about six families came together, including my father's and Alexander Brown's family. Said families were all related to each other. We left Tennessee in the fall of 1835-came to a place in Illinois fifteen or eighteen miles east of St? Louis and stopped there over the winter, and in the spring came on to, what is now known as Brighton, Polk County, Missouri, arriving there May 10, 1836. I was with them during the whole journey to Missouri from Tennessee. I have often heard my Mother, who is a daughter of said Alexander Brown, and my Uncles and Aunts say that said Alexander Brown was a half blood Cherokee Indian. Also, I have heard them say many times that said Alexander Brown was enrolled as a Cherokee Indian on the Roll of 1835. He was a tall man, dark complexion with black hair and eyes. He has always been talked about and known as a half blood Cherokee. He died in 1838. I was at his funeral-the first person I ever saw burried. He was burried at Brock Grave Yard, near Brigaton, Polk County, Missouri.

Said Alexander Brown had the following named children, viz: Sarah Brown, generally called "Sally", who married Elijah Hembelton, Annis Brown, who married Robert Pace, Dicie Brown, who married Daniell Fender, Violet Brown, who married Eleven Ruth, Susan Brown, who married Moses Proctor, Elizabeth Brown, who married Hugh Ruth, Thomas Brown, Isam Brown, Zachariah Brown, and John Brown.

I am interested in the prosecution of this case, as I am one of the claimants.

Said Annis Brown Pace was the Mother of John K Pace who was the father of Frances A Proctor whose Maiden name was Frances A Pace who is the Mother of Julia E Hall whose maiden name was Julia E Proctor

I was well acquainted with and knew Alexander Brown during his life time, from and after the time he came to Polk County, Missouri, which was about the year of 1833 or 1834, until the death of said Alexander Brown, which occured about the year of 1837 or 1838. Said Alexander Brown located and settled at what is now known as Brighton, Polk County, Missouri. His remains were burried at what is now known as the Brock Grave Yard, near Brighton, Polk County, Missouri. During the time above mentioned, the said Alexander Brown and I, lived in the same settlement or neighborhood. We saw each other and were together quite often. We have fished together and have had many conversations together and became intimately acquainted.

The said Alexander Brown told me that he was a Cherokee Indian--my recollection is, that he said he was a half blood Cherokee Indian and that he came to Missouri from Tennessee. He was recognized and reputed by all who knew him to be a Cherokee Indian. He told me that he had his papers showing his Indian Rights, and that his name was on the roll of Cherokee Indians. The said Alexander Brown always claimed to be a half blood Cherokee, and all his children claimed to be part Cherokee and were recognized and reputed to be such by all who knew them.

The said Alexander Brown was a very tall, broad shouldered man, rather slim with dark hair and eyes and was of dark complexion.

Alexander Brown aforesaid had the following children, viz: Sally (Brown)Hambelton, Dicie(Brown)Fender, Isom Brown, Violet(Brown) Ruth, John Brown, Elizabeth(Brown) Ruth, Thomas Brown, Susan(Brown) Proctor, Zach Brown and Annice(Brown)Pace. Said Annie (Brown) Pace was the mother of John K Pace who is the father of Frances A Proctor, whose maiden name was Frances A Pace who is the mother of Julia E Hall whose maiden name was Julia E Proctor. I am not interested in or concerned in this case or its prosecution.

In the matter of the claim of Julia E Hall et al for participation in fund appropriated by Congress June, 30, 1906, for Eastern and Emigrant Cherokee Indians and their descendants.

On this 26th day of July A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public in and for said County, duly authorized to administer oaths, James Harralison, aged 80 years, a resident of Webb City, Jasper County, Missouri, well known to be reputable and entitled to credit, who being by me duly sworn on his oath, declared and saith in relation to said case as follows:

I was well acquainted with Alexander Brown in his life time. He came from McMinn County, Tennessee and located and settled near what is now known as Brighton, Polk County, Missouri, on or about the year of 1836 or 1837, he came to said Polk County two or three years before his death. The said Alexander Brown, when I first knew him, lived in Tennessee. I have heard that he came from Georgia to Tennessee. He lived about a mile from where my father lived in Tennessee. I knew said Alexander Brown from the time I was old enough to remmember any one until his death. He visited my father and my father visited him often. His family and my father's family visited back and forth quite often. His children and my father's children played together often and the two families were intimately acquainted with each other. I have a very clear and destinct recollection of hearing the said Alexander Brown say that he was registered or that his name was on the roll of Cherokee Indians prior to his leaving Tennessee, and I have heard him tell this both before he left Tennessee and after he came to Missouri. I came to Missouri soon after Alexander Brown left Tennessee, and I saw him and was intimately acquainted with him both in Missouri and in Tennessee. The said Alexander Brown was a tall broad shouldered man, rather slim, high cheek bones, dark complexion with black hair and eyes. He said his children were generally known and recognised and reputed to be part Cherokee Indian. They had the appearance of being part Indian. I have heard Alexander Brown and also his children say that he was a half blood Cherokee Indian and they always claimed to be of Cherokee blood.

Said Alexander Brown's remains were burried at the Brock Grave Yard near Brighton in Polk County, Missouri. It was the general talk among the children and neighbors of said Alexander Brown that he was a half blood Cherokee Indian and that his name was on the roll of Cherokee Indians. I recollect that he was called by the indian nick name of "Swanee". When he left Tennessee and came west he was accompanied by a number of families.

Said Alexander Brown was the father of the following named children: Thomas Brown, Isom Brown, John Brown, Jach. Brown, Sarah(Brown)Hambelton, who was also called "Sally", Dicie(Brown) Fender, Elizabeth(Brown)Ruth, Susan(Brown)Proctor, Annis(Brown) Pace and Violet(Brown)Ruth. Said Annis(Brown)Pace was the mother of John K Pace who is the father of Frances A Pace who is the mother of Julia E Hall whose maiden name was Julia E Pace. She is not interested or concerned in the case in its prosecution

Sir:- There are several people in this community, who are interested in the Eastern Cherokee enrollment, and it has been quite a while since we have heard any thing in regard to it. We would be very grateful if you would give us a little information in regard to how it is progressing. Are the decendants of Red Sizemore allowed to share in the funds that is going to the Eastern Cherokee Enrollment? How long before the roll will be completed, and the funds be distributed? We shall be very thankful for a reply in regard to the above questions.

Thomas T. Carson,

Sir:

Relative to application No. 3519, kindly aid this Office in connecting the children of Jennie Weaver with the Cherokee Rolls by giving her father's and mother's names.

Were they Cherokee Indians?

What were the names of their grandparents?

When did Jennie Weaver die and how old was she at the time of her death?

Any other information in regard to who her parents and grandparents were and where they were living in 1851 will be greatly appreciated.

Do you know why Bill Burgess was not enrolled on Cherokee enrollment of 1851?

Please give this matter prompt attention and refer to the number of the application in your reply.

Very respectfully,

Special Commissioner.

Mary Jane McCarty being first duly sworn, deposes and says:

That I was born in 1864, residence Hill City, Tenn. I claim my Idian descent through my mother. I was living in the Indian Territory in the Cherokee Nation three years. First went there about 8 years ago. I have never been on any Indian roll or received any benefits. My grandfather Charles Evans was enrolled in N. C. with the Cherokee tribe. I don't know what part of N. C. but close to the lines of North and South Carolina. My grandfather, Charles Evans, died befor the Civil War. He always lived in N. C. I was born in Cedar Creek, Tenn. close to the N. C. line. I lived with the Indians until I was three years of age in Cedar Creek, Tenn. and then moved to diff rent parts of Tenn. - Hawkins and Jefferson Counties. My grandfather took part in the Indian councils where he lived close to the line in S. C. This was the Cherokee tribe. I have no negro blood whatever in me. I was living in Knoxville, Tenn. in 1851 and my mother at that time was living in Tulsa, I.T. She lived with the Indians out there (herokee). ~~married~~ My mother made two applications for enrollment in the Territory but the chiefs would not allow it because she would not pay them about three hundred dollars and they would not let her in. My mother died some time in the year 1898. The only Indian blood I claim is thro my grandfather, Charles Evans, who was a full blood. My grandfather never went by any other name than Charles Evans. I have no other witnesses or can procure any who can give or add anything additional to what I have given. All of my brothers and sisters are dead but one, and I have not heard from her for her for some time. She lived in Cincinnati, Ohio when I last heard from her. This is the only application I ever made to share in any Indian payment or benefits. I don't know what the Cherokee Indian Citizenship is. I herewith attach paper identified as exhibit A as part of my testimony.

This party does not appear to have any negro blood and from complexion and features would appear to have a small degree of Indian blood. She is somewhat ignorant and is unable to give any definite information as to residence of her mother or any of her Indian ancestors or to name any one who knew of them or what part, if any, they ever took in Indian councils.

Mary J. McCartney,
~~Hall~~ Hall City, Tennessee.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office why your mother, Mary Pack, was not enrolled on Cherokee enrollment of 1851.

Also state why your brothers and sisters who were living then were not so enrolled?

Also state why your grandparents on both your father's and mother's side were not enrolled on any Cherokee enrollment.

Where were you living and where were your parents living in 1851?

Was your mother a white woman, an Indian, or a negro? If negro, was she ever held as a slave? If a slave, was she owned by a white man or an Indian?

Were your grandparents on your mother's side slaves; if so, state by whom so held?

In replying, please refer to the number of your application.

Please give this matter prompt attention.

Very respectfully,

#3527 - 3525 Miscel.

James T. Sims being first duly sworn, deposes and says:

That I was born in 1854 and live in Faulkner Co., Ark. I claim my Indian descent through my mother; ~~my father is a white man.~~ My mother claimed Indian through her mother, Mary Cooper. My mother's father was a white man. My mother was born on the line between Ark. and Okla. at Cane Hill. Don't know when she was born. My mother died in 1861 and she was about 28 years old then. Her mother claimed to be 1/2 Cherokee and she was 1/4. The rest of her blood was white. My grandmother's name was Mary A. Cooper and she married Xx Thompson Sinyard. Don't know where she was born but it was either in Ark. or Okla. Don't know where Benjamin Cooper came from. He was a full blooded Indian. My mother had a brother Andy. My mother died in Gilmer Co., Ga. I was born in Gilmer Co., Ga. and brought to Ark. My understanding is that my grandmother and mother were on the rolls. My mother made a draw after she was married. That was along about 1852 and that was in North Georgia. I believe she received $96.00. She was enrolled at that time under the name of Sims - Jane or Jinny Sims. She did not have any Indian name that I know of. My mother never lived with the Indians as a member of the tribe, either before or after marriage. I nor my brothers nor sisters never lived with the Indians. I never received anything from the xxx government by reason of my Indian blood. I made application to the Dawes Commission but never received anything. My mother had no sisters; had only one brother, Andrew, and he died during the Civil War. Don't know anything about Benjamin Cooper. He died a long time before my mother. Don't know whether he was living in 1851 or not. He never had any other name than that of Cooper. I am recognized at the present time as a white man in the community. All of my brothers and sisters have married white people. I think my grandfather Cooper died here in the West. He came West long before my mother was married. My mother was born in the West and carried East when a small child.

App. #3525.

August 2, 1907.

Sarah A. Glover,

R.F.D. No. 2,

Greenbrier, Arkansas.

Madam:-

Replying to your letter of July 23, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration as the Court in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 31,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined ino money can be distributed.

If there is any further information required in connection with your claim you will be notified.

Very respectfully,

Special Commissioner.

2 Wish to know
what is the condition of the $4,000,000
Emigrant or Eastern Cherokee
Money as I have Nothing concerning
the payment of the Money it
is rumored here that there will
be a Special Agent Sent out
here to ascertain how the Emig-
rants Want the Money paid.
2 am a Emigrant and have
Seen and talked to quite a
Number of Emigrants about
the Matter and Say that it is
Very necessary that they Should

he compelled to divide this
Money With Parties that are
Not entitled to Share With them
We have Waited fifty five
years for this Money and then
had to go into the Courts
to get What the U.S. goverment
rightfully owed to us and
compelled to give up nearly
one Million Dollars in Lawyer
fees, and Now We have to
Wait and divide the Money
With others Parties that
are Not entitled to Participate
in this fund it is Very unfair
as We Should had this Money
paid to us in 1952 Without
any offense to us

It appears to us that if the Money had been paid out according to the decree of the Supreme Court We should had your Money before this time as the Census of there that are entitled Cerned have been completed. If an Agent had been Sent here With the Roll of 1851 as a guide and the assistance of the Emigrants that are living then could have been a correct Roll Made. It is a Matter of impossibility to get a correct Roll under the plan as you have been Working Render as Negros and Whites have Made applications under the last decision of the Court

If you can give me any information in reference to this matter Will you kindly give the desired information as to when is being done or when the money will be paid
